

# **The Memo You Didn't Get**

**The answers for world problems are given to poor men, having nothing to loose by telling you the truth. Trust the Preach1 Day Ministry it's built on dollars and cents of a poor man and some modest church goers who understood the difference between: glory to God and a glorify for God.**

**The grant from God was not discerned from Heaven to Earth, it is written here: Romans 15:5. How to get the grant is also written at Romans 15:6. How to loose the grant (first natural) that you may take it, is on behave of the Preach1 Day Ministry, Amen!**
