A Love for God's Ear

Lets have a short installation of scripture as part of our church services. This honor is called 'Recitation Offerings' given by the congregation and lasting for one minute or so. This recitation is humbly based around Romans 15:6. A full recitation (one voice) glorifies God by this same Word, outdoors! As we know God loves hearing His Word from earth! Below are the requirements for an indoor Recitation Offering.

A recitation by congregation:

- Start by setting a precise time or sound.
- Stand before the LORD if you can.
- Lift up our hands.
- Recite Bible Verse(s) from heart to God (no praying).
- End on time, enjoy the moment!
- Return back to Leadership.

PS. We hope you and your congregation register in the Human Bible Registry for a 1 Cup recitation, glorifying God outdoors!
