

Come Glory or Come Death Angel

As God fearing people we're not trying to guide anyone, but zealously moving to save every house. Preaching a message to Michigan citizens, that the Father may yet get His cup of glory from the Begots of Jesus Christ and that the Father shall be glorified in His Son. This is the very reason we pray in the name; Jesus Christ. **You are now summoned to greater works** just up ahead (ref: John 14:12-13). No money is required, your service is your spoken Bible verse, the payment is harmony-unity, but to deny Jesus this time, is Death!

As God's lowly grant writer, many publications was written, foretelling Believers, God has asked to be glorified by way of Romans 15:6. This could never happen without a real process of bearing record of truth, it's the work we do at the Preach1 Day (P1D) sites. This assignment of God's word and your work vowed is your proof of record.

If you know me, I've not practice as a Prophet to the Nations, churches or the world. My small business on the road is also my pulpit as far as temples go. I'm just an outsider living justly as status goes with Man's standards. Yes sir, I am sharp in hearing the spirit of the Lord for His season to be glorified via Michigan, Amen.

We (you and I) are to establish those who will pledge in the once in a life time offering of a cup of glory to the Father God. Those denying Jesus his moment to be glorified by His Father at the P1D Ceremony will forever regret it. God's Death Angel who are hearing them negate this very call to glorify the Father by Romans 15:6 and has already begone killings in their houses, churches, businesses, ETC!

To live in harmony is not offered in the King James Bible Versions yet, the word is simply not there. However, God the Father has offered us His "Harmony Living Grant" ref: Romans 15:5 in the "spell-checked English additions Bibles". With honors to man, all words from God are translated for Bible publications.

We are all invited to P1D, let the elderly, toddlers and you, bring a quality offering by reciting all scriptures to glorify God with one mind and one voice, than we'll live as God has promised in Romans 15:5. Take your first step and register a verse of the Holy Bible! Rather be armed to glorify God by His word, than to face His raft suddenly! In the words of Jesus "**Rise, let us go from here**" now that it's in the universe, register your verse ASAP!
